

AUSTRALIAN TERRIER CLUB OF AMERICA

ATCA Futurity Nomination Instructions

Rev 3, 8-30-2022

In 2023 the Futurity will be held in Colorado Springs, CO. on June 29th. The Futurity judge will be Pat Mullin.

The Futurity was begun as a way to recognize and showcase breeders of Australian Terriers. Without these breeders there is no future for our breed. We need you to support the Australian Terrier Breed and the ATCA Futurity by nominating your bitch/litter and the individual pups. Show off your puppies, 6 months to 24 months of age. Remember a dog may only be shown in one Futurity.

All you need to do is:

- Nominate your bitch and the litter
- Nominate the individual puppies to be entered (at least 6 months old but not over 24 months old).
- Send pictures of the puppy, the sire and the dam
- Send the puppy's pedigree (three generation)
- Aussies entered in Futurity classes may not be shown by professional handlers, or members of their family or an employee unless the handler is the owner of the Aussie.

Buy the catalog at the show which contains all of the above information, pedigrees and photos of all of the dogs entered in the Futurity.

Go to the ATCA website and download the puppy nomination form, and the bitch/litter nomination forms. Send all of the completed nomination forms, all pictures and pedigrees via email to: suebachman@att.net ; or via US Mail to: Sue Bachman, 6829 Pleasants Valley Rd., Vacaville, CA. 95688-9715.

Once the forms have been submitted then you may enter on the Superintendent show entry form by filling out the "Additional Class" as FUTURITY on the entry form for the National Specialty show. **ENTRY FEE OF \$5 IS PAYABLE TO SHOW SUPERINTENDENT.**

There will be cash prizes, statuary, medallions and rosettes awarded to the entrants. If you would like to become a sponsor of the Futurity, contact Sue Bachman at: suebachman@att.net or by phone: 707-372-99674
